

# RAB1B Antibody

|                     |                                                                                      |
|---------------------|--------------------------------------------------------------------------------------|
| Product Code        | CSB-PA019168GA01HU                                                                   |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                        |
| Uniprot No.         | Q9H0U4                                                                               |
| Immunogen           | Human RAB1B                                                                          |
| Raised In           | Rabbit                                                                               |
| Species Reactivity  | Human,Mouse,Rat                                                                      |
| Tested Applications | ELISA,WB                                                                             |
| Storage Buffer      | PBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles. |
| Purification Method | Antigen Affinity purified                                                            |
| Isotype             | IgG                                                                                  |
| Alias               | RAB1B, member RAS oncogene family;                                                   |
| Product Type        | Purified Rabbit Anti human PolyClonal Antibody                                       |
| Immunogen Species   | Homo sapiens (Human)                                                                 |
| Target Names        | RAB1B                                                                                |
