

# RAD51 Antibody, HRP conjugated

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA019268LB01HU                                                                          |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                               |
| Uniprot No.         | Q06609                                                                                      |
| Immunogen           | Recombinant Human DNA repair protein RAD51 homolog 1 protein (1-228AA)                      |
| Raised In           | Rabbit                                                                                      |
| Species Reactivity  | Human                                                                                       |
| Tested Applications | ELISA                                                                                       |
| Form                | Liquid                                                                                      |
| Conjugate           | HRP                                                                                         |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4            |
| Purification Method | >95%, Protein G purified                                                                    |
| Isotype             | IgG                                                                                         |
| Clonality           | Polyclonal                                                                                  |
| Alias               | DNA repair protein RAD51 homolog 1 (HsRAD51) (hRAD51) (RAD51 homolog A), RAD51, RAD51A RECA |
| Immunogen Species   | Homo sapiens (Human)                                                                        |
| Research Area       | Epigenetics and Nuclear Signaling                                                           |
| Target Names        | RAD51                                                                                       |
