

# WWP2 Antibody, HRP conjugated

|                     |                                                                                                                                                                                      |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA026168LB01HU                                                                                                                                                                   |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                        |
| Uniprot No.         | O00308                                                                                                                                                                               |
| Immunogen           | Recombinant Human NEDD4-like E3 ubiquitin-protein ligase WWP2 protein (145-367AA)                                                                                                    |
| Raised In           | Rabbit                                                                                                                                                                               |
| Species Reactivity  | Human                                                                                                                                                                                |
| Tested Applications | ELISA                                                                                                                                                                                |
| Form                | Liquid                                                                                                                                                                               |
| Conjugate           | HRP                                                                                                                                                                                  |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                                                                     |
| Purification Method | >95%, Protein G purified                                                                                                                                                             |
| Isotype             | IgG                                                                                                                                                                                  |
| Clonality           | Polyclonal                                                                                                                                                                           |
| Alias               | NEDD4-like E3 ubiquitin-protein ligase WWP2 (EC 2.3.2.26) (Atrophin-1-interacting protein 2) (AIP2) (HECT-type E3 ubiquitin transferase WWP2) (WW domain-containing protein 2), WWP2 |
| Immunogen Species   | Homo sapiens (Human)                                                                                                                                                                 |
| Research Area       | Cell Biology                                                                                                                                                                         |
| Target Names        | WWP2                                                                                                                                                                                 |
