

# UBE2G1 Antibody

|                            |                                                                                                                           |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA060036                                                                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                             |
| <b>Uniprot No.</b>         | P62253                                                                                                                    |
| <b>Immunogen</b>           | Synthesized peptide derived from the Internal region of Human UBE2G1.                                                     |
| <b>Raised In</b>           | Rabbit                                                                                                                    |
| <b>Species Reactivity</b>  | Human, Mouse, Rat                                                                                                         |
| <b>Tested Applications</b> | IHC, ELISA; IHC:1:100-1:300, ELISA:1:40000                                                                                |
| <b>Form</b>                | Liquid                                                                                                                    |
| <b>Conjugate</b>           | Non-conjugated                                                                                                            |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                   |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.     |
| <b>Isotype</b>             | IgG                                                                                                                       |
| <b>Alias</b>               | UBE2G1; UBE2G; Ubiquitin-conjugating enzyme E2 G1; E217K; UBC7; Ubiquitin carrier protein G1; Ubiquitin-protein ligase G1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                      |
| <b>Target Names</b>        | UBE2G1                                                                                                                    |
