

# CD22 Antibody

|                            |                                                                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA070294                                                                                                                                                                     |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                    |
| <b>Uniprot No.</b>         | P20273                                                                                                                                                                           |
| <b>Immunogen</b>           | Synthesized peptide derived from Human CD22 around the non-phosphorylation site of Y807.                                                                                         |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                           |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                            |
| <b>Tested Applications</b> | WB, ELISA; WB:1:500-1:2000, ELISA:1:40000                                                                                                                                        |
| <b>Form</b>                | Liquid                                                                                                                                                                           |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                   |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                          |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                            |
| <b>Isotype</b>             | IgG                                                                                                                                                                              |
| <b>Alias</b>               | CD22; SIGLEC2; B-cell receptor CD22; B-lymphocyte cell adhesion molecule; BL-CAM; Sialic acid-binding Ig-like lectin 2; Siglec-2; T-cell surface antigen Leu-14; CD antigen CD22 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                             |
| <b>Target Names</b>        | CD22                                                                                                                                                                             |
