

# PGR Antibody, HRP conjugated

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA11385B0Rb                                                                        |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                          |
| <b>Uniprot No.</b>         | P06401                                                                                 |
| <b>Immunogen</b>           | Recombinant Human Progesterone receptor protein (4-232AA)                              |
| <b>Raised In</b>           | Rabbit                                                                                 |
| <b>Species Reactivity</b>  | Human                                                                                  |
| <b>Tested Applications</b> | ELISA                                                                                  |
| <b>Form</b>                | Liquid                                                                                 |
| <b>Conjugate</b>           | HRP                                                                                    |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4       |
| <b>Purification Method</b> | >95%, Protein G purified                                                               |
| <b>Isotype</b>             | IgG                                                                                    |
| <b>Clonality</b>           | Polyclonal                                                                             |
| <b>Alias</b>               | Progesterone receptor (PR) (Nuclear receptor subfamily 3 group C member 3), PGR, NR3C3 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                   |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                      |
| <b>Target Names</b>        | PGR                                                                                    |
