

# MIB1 Antibody

|                            |                                                                                                                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA13289A0Rb                                                                                                                                                                                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                              |
| <b>Uniprot No.</b>         | Q86YT6                                                                                                                                                                                                                                     |
| <b>Immunogen</b>           | Recombinant Human E3 ubiquitin-protein ligase MIB1 protein (5-332AA)                                                                                                                                                                       |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                                                     |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                                                                      |
| <b>Tested Applications</b> | ELISA, WB, IHC, IF; Recommended dilution: WB:1:500-1:2000, IHC:1:20-1:200, IF:1:50-1:200                                                                                                                                                   |
| <b>Form</b>                | Liquid                                                                                                                                                                                                                                     |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                                             |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                                                                                           |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                                                                                   |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                                                 |
| <b>Alias</b>               | E3 ubiquitin-protein ligase MIB1 (EC 2.3.2.27) (DAPK-interacting protein 1) (DIP-1) (Mind bomb homolog 1) (RING-type E3 ubiquitin transferase MIB1) (Zinc finger ZZ type with ankyrin repeat domain protein 2), MIB1, DIP1 KIAA1323 ZZANK2 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                                                       |
| <b>Research Area</b>       | Stem Cells                                                                                                                                                                                                                                 |
| <b>Target Names</b>        | MIB1                                                                                                                                                                                                                                       |

## Image

Western blot  
All lanes: MIB1 antibody at 2µg/ml + 293T whole cell lysate  
Secondary  
Goat polyclonal to rabbit IgG at 1/10000 dilution  
Predicted band size: 111 kDa  
Observed band size: 111 kDa

Immunohistochemistry of paraffin-embedded human kidney tissue using CSB-PA13289A0Rb at dilution of 1:100

Immunofluorescent analysis of HeLa cells cells using CSB-PA13289A0Rb at dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L)
