

# Muc5ac Antibody

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA17229A0Rb                                                                             |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                               |
| Uniprot No.         | E9PWB6                                                                                      |
| Immunogen           | Recombinant Mouse Mucin 5, subtypes A and C, tracheobronchial/gastric protein (2452-2721AA) |
| Raised In           | Rabbit                                                                                      |
| Species Reactivity  | Mouse                                                                                       |
| Tested Applications | ELISA                                                                                       |
| Form                | Liquid                                                                                      |
| Conjugate           | Non-conjugated                                                                              |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4            |
| Purification Method | >95%, Protein G purified                                                                    |
| Isotype             | IgG                                                                                         |
| Clonality           | Polyclonal                                                                                  |
| Alias               | Mucin 5, subtypes A and C, tracheobronchial/gastric, Muc5ac                                 |
| Immunogen Species   | Mus musculus (Mouse)                                                                        |
| Research Area       | Others                                                                                      |
| Target Names        | Muc5ac                                                                                      |
