

# ATP1A3 Antibody

|                            |                                                                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA18139A0Rb                                                                                                                                                                    |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                      |
| <b>Uniprot No.</b>         | P13637                                                                                                                                                                             |
| <b>Immunogen</b>           | Recombinant Human Sodium/potassium-transporting ATPase subunit alpha-3 protein (143-278AA)                                                                                         |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                             |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                              |
| <b>Tested Applications</b> | ELISA                                                                                                                                                                              |
| <b>Form</b>                | Liquid                                                                                                                                                                             |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                     |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                                                                   |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                           |
| <b>Isotype</b>             | IgG                                                                                                                                                                                |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                         |
| <b>Alias</b>               | Sodium/potassium-transporting ATPase subunit alpha-3 (Na(+)/K(+) ATPase alpha-3 subunit) (EC 3.6.3.9) (Na(+)/K(+) ATPase alpha(III) subunit) (Sodium pump subunit alpha-3), ATP1A3 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                               |
| <b>Research Area</b>       | Neuroscience                                                                                                                                                                       |
| <b>Target Names</b>        | ATP1A3                                                                                                                                                                             |
