

# PDE6B Antibody

|                     |                                                                                                         |
|---------------------|---------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA2104ESR1HU                                                                                        |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                           |
| Uniprot No.         | P35913                                                                                                  |
| Immunogen           | Recombinant Human Rod cGMP-specific 3',5'-cyclic phosphodiesterase subunit beta protein (1-190AA)       |
| Raised In           | Rabbit                                                                                                  |
| Species Reactivity  | Human                                                                                                   |
| Tested Applications | ELISA                                                                                                   |
| Form                | Liquid                                                                                                  |
| Conjugate           | Non-conjugated                                                                                          |
| Storage Buffer      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                       |
| Purification Method | Antigen Affinity Purified                                                                               |
| Isotype             | IgG                                                                                                     |
| Clonality           | Polyclonal                                                                                              |
| Alias               | Rod cGMP-specific 3',5'-cyclic phosphodiesterase subunit beta (GMP-PDE beta) (EC 3.1.4.35), PDE6B, PDEB |
| Immunogen Species   | Homo sapiens (Human)                                                                                    |
| Research Area       | Others                                                                                                  |
| Target Names        | PDE6B                                                                                                   |
