

# PDE6A Antibody

|                            |                                                                                                                      |
|----------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA2109ESR2HU                                                                                                     |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                        |
| <b>Uniprot No.</b>         | P16499                                                                                                               |
| <b>Immunogen</b>           | Recombinant Human Rod cGMP-specific 3',5'-cyclic phosphodiesterase subunit alpha protein (656-860AA)                 |
| <b>Raised In</b>           | Rabbit                                                                                                               |
| <b>Species Reactivity</b>  | Human, Mouse                                                                                                         |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:1000-1:5000, IHC:1:20-1:200                                               |
| <b>Form</b>                | Liquid                                                                                                               |
| <b>Conjugate</b>           | Non-conjugated                                                                                                       |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                    |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                            |
| <b>Isotype</b>             | IgG                                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                                           |
| <b>Alias</b>               | Rod cGMP-specific 3',5'-cyclic phosphodiesterase subunit alpha (GMP-PDE alpha) (EC 3.1.4.35) (PDE V-B1), PDE6A, PDEA |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                 |
| <b>Research Area</b>       | Signal Transduction                                                                                                  |
| <b>Target Names</b>        | PDE6A                                                                                                                |

## Image

Western blot  
 All lanes: PDE6A antibody at 3.33μg/ml  
 Lane 1: Mouse eye tissue  
 Lane 2: A549 whole cell lysate  
 Secondary  
 Goat polyclonal to rabbit IgG at 1/10000 dilution  
 Predicted band size: 100 kDa  
 Observed band size: 100 kDa

Immunohistochemistry of paraffin-embedded human colon cancer using CSB-PA2109ESR2HU at dilution of 1:100

Immunohistochemistry of paraffin-embedded human ovarian cancer using CSB-PA2109ESR2HU at dilution of 1:100
