

# met Antibody, FITC conjugated

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA24469C0Rb                                                                       |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                         |
| <b>Uniprot No.</b>         | F1QLR7                                                                                |
| <b>Immunogen</b>           | Recombinant Zebrafish MET proto-oncogene, receptor tyrosine kinase protein (76-179AA) |
| <b>Raised In</b>           | Rabbit                                                                                |
| <b>Species Reactivity</b>  | Zebrafish                                                                             |
| <b>Form</b>                | Liquid                                                                                |
| <b>Conjugate</b>           | FITC                                                                                  |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4      |
| <b>Purification Method</b> | >95%, Protein G purified                                                              |
| <b>Isotype</b>             | IgG                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                            |
| <b>Alias</b>               | MET proto-oncogene, receptor tyrosine kinase, met                                     |
| <b>Immunogen Species</b>   | Zebrafish                                                                             |
| <b>Target Names</b>        | met                                                                                   |
