

# HPR Antibody, Biotin conjugated

|                            |                                                                                                                                 |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA24659D0Rb                                                                                                                 |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                   |
| <b>Uniprot No.</b>         | Q9C9W5                                                                                                                          |
| <b>Immunogen</b>           | Recombinant Arabidopsis thaliana Glycerate dehydrogenase HPR, peroxisomal protein (1-386AA)                                     |
| <b>Raised In</b>           | Rabbit                                                                                                                          |
| <b>Species Reactivity</b>  | Arabidopsis thaliana                                                                                                            |
| <b>Tested Applications</b> | ELISA                                                                                                                           |
| <b>Form</b>                | Liquid                                                                                                                          |
| <b>Conjugate</b>           | Biotin                                                                                                                          |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                        |
| <b>Isotype</b>             | IgG                                                                                                                             |
| <b>Clonality</b>           | Polyclonal                                                                                                                      |
| <b>Alias</b>               | Glycerate dehydrogenase HPR, peroxisomal (GDH) (EC 1.1.1.29) (NADH-dependent hydroxypyruvate reductase 1) (AtHPR1) (HPR 1), HPR |
| <b>Immunogen Species</b>   | Arabidopsis thaliana                                                                                                            |
| <b>Research Area</b>       | Cardiovascular                                                                                                                  |
| <b>Target Names</b>        | HPR                                                                                                                             |
