

# Prothoracicotrophic hormone Antibody, FITC conjugated

|                     |                                                                                          |
|---------------------|------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA324609LC01BTT                                                                      |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                            |
| Uniprot No.         | P17219                                                                                   |
| Immunogen           | Recombinant Bombyx mori Prothoracicotrophic hormone protein (116-224AA)                  |
| Raised In           | Rabbit                                                                                   |
| Species Reactivity  | Bombyx mori                                                                              |
| Form                | Liquid                                                                                   |
| Conjugate           | FITC                                                                                     |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4         |
| Purification Method | >95%, Protein G purified                                                                 |
| Isotype             | IgG                                                                                      |
| Clonality           | Polyclonal                                                                               |
| Alias               | Prothoracicotrophic hormone (PTTH) [Cleaved into: P2K; P6K; Prothoracicotrophic hormone] |
| Immunogen Species   | BOMMO(Silk moth)                                                                         |
| Research Area       | Others                                                                                   |
