

# MRE11 Antibody

|                     |                                                                                                 |
|---------------------|-------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA339299XA01SVG                                                                             |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                   |
| Uniprot No.         | P32829                                                                                          |
| Immunogen           | Recombinant Saccharomyces cerevisiae (strain ATCC 204508 / S288c) (Baker's yeast) MRE11 protein |
| Raised In           | Rabbit                                                                                          |
| Species Reactivity  | Saccharomyces cerevisiae (strain ATCC 204508 / S288c) (Baker's yeast)                           |
| Tested Applications | ELISA, WB (ensure identification of antigen)                                                    |
| Form                | Liquid                                                                                          |
| Conjugate           | Non-conjugated                                                                                  |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                |
| Purification Method | Antigen Affinity Purified                                                                       |
| Isotype             | IgG                                                                                             |
| Clonality           | Polyclonal                                                                                      |
| Product Type        | Polyclonal Antibody                                                                             |
| Immunogen Species   | Saccharomyces cerevisiae (strain ATCC 204508 / S288c) (Baker's yeast)                           |
| Lead Time           | Made-to-order (14-16 weeks)                                                                     |
| Gene Names          | MRE11                                                                                           |
