

## eno Antibody, HRP conjugated

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA351974LB01SKX                                                                             |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                   |
| <b>Uniprot No.</b>         | P64078                                                                                          |
| <b>Immunogen</b>           | Recombinant Staphylococcus aureus Enolase protein (1-434AA)                                     |
| <b>Raised In</b>           | Rabbit                                                                                          |
| <b>Species Reactivity</b>  | Staphylococcus aureus                                                                           |
| <b>Tested Applications</b> | ELISA                                                                                           |
| <b>Form</b>                | Liquid                                                                                          |
| <b>Conjugate</b>           | HRP                                                                                             |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                |
| <b>Purification Method</b> | >95%, Protein G purified                                                                        |
| <b>Isotype</b>             | IgG                                                                                             |
| <b>Clonality</b>           | Polyclonal                                                                                      |
| <b>Alias</b>               | Enolase (EC 4.2.1.11) (2-phospho-D-glycerate hydro-lyase) (2-phosphoglycerate dehydratase), eno |
| <b>Immunogen Species</b>   | Staphylococcus aureus (strain Mu50 / ATCC 700699)                                               |
| <b>Research Area</b>       | Others                                                                                          |
| <b>Target Names</b>        | eno                                                                                             |
