

# LBA Antibody

|                     |                                                                                  |
|---------------------|----------------------------------------------------------------------------------|
| Product Code        | CSB-PA355812XA21GGV                                                              |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| Uniprot No.         | P02238                                                                           |
| Immunogen           | Recombinant Glycine max (Soybean) (Glycine hispida) Leghemoglobin A (99-110aa)   |
| Species Reactivity  | Glycine max (Soybean) (Glycine hispida)                                          |
| Tested Applications | ELISA, WB                                                                        |
| Form                | Liquid                                                                           |
| Conjugate           | Non-conjugated                                                                   |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4 |
| Purification Method | Protein G                                                                        |
| Isotype             | IgG                                                                              |
| Clonality           | Polyclonal                                                                       |
| Product Type        | Polyclonal Antibody                                                              |
| Immunogen Species   | Glycine max (Soybean) (Glycine hispida)                                          |
| Target Names        | LBA                                                                              |
