

# AMY1A Antibody

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA356351ESR2HU                                                                                                                   |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                        |
| <b>Uniprot No.</b>         | P04745                                                                                                                               |
| <b>Immunogen</b>           | Recombinant Human Alpha-amylase 1 protein (16-200AA)                                                                                 |
| <b>Raised In</b>           | Rabbit                                                                                                                               |
| <b>Species Reactivity</b>  | Human                                                                                                                                |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                                                     |
| <b>Form</b>                | Liquid                                                                                                                               |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                       |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                    |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                            |
| <b>Isotype</b>             | IgG                                                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                                                           |
| <b>Alias</b>               | Alpha-amylase 1 (EC 3.2.1.1) (1,4-alpha-D-glucan glucanohydrolase 1) (Salivary alpha-amylase), AMY1A; AMY1B; AMY1C, AMY1; AMY1; AMY1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                 |
| <b>Research Area</b>       | Signal Transduction                                                                                                                  |
| <b>Target Names</b>        | AMY1A                                                                                                                                |

## Image

Immunohistochemistry of paraffin-embedded human salivary gland tissue using CSB-PA356351ESR2HU at dilution of 1:100
