

# groL Antibody, Biotin conjugated

|                     |                                                                                  |
|---------------------|----------------------------------------------------------------------------------|
| Product Code        | CSB-PA394210HD01YBL                                                              |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| Uniprot No.         | A4TRR0                                                                           |
| Immunogen           | Recombinant Yersinia pestis 60 kDa chaperonin protein (1-548AA)                  |
| Raised In           | Rabbit                                                                           |
| Species Reactivity  | Yersinia pestis                                                                  |
| Tested Applications | ELISA                                                                            |
| Form                | Liquid                                                                           |
| Conjugate           | Biotin                                                                           |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| Purification Method | >95%, Protein G purified                                                         |
| Isotype             | IgG                                                                              |
| Clonality           | Polyclonal                                                                       |
| Alias               | 60 kDa chaperonin (GroEL protein) (Protein Cpn60), groL, groEL                   |
| Immunogen Species   | Yersinia pestis                                                                  |
| Research Area       | Others                                                                           |
| Target Names        | groL                                                                             |
