| Product Code        | CSB-PA480954XA01SVH                                                                  |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                        |
| Uniprot No.         | B5VT63                                                                               |
| Immunogen           | Recombinant Saccharomyces cerevisiae (strain AWRI1631) (Baker's yeast) INA17 protein |
| Raised In           | Rabbit                                                                               |
| Species Reactivity  | Saccharomyces cerevisiae (strain AWRI1631) (Baker's yeast)                           |
| Tested Applications | ELISA, WB (ensure identification of antigen)                                         |
| Form                | Liquid                                                                               |
| Conjugate           | Non-conjugated                                                                       |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4     |
| Purification Method | Antigen Affinity Purified                                                            |
| Isotype             | IgG                                                                                  |
| Clonality           | Polyclonal                                                                           |
| Product Type        | Polyclonal Antibody                                                                  |
| Immunogen Species   | Saccharomyces cerevisiae (strain AWRI1631) (Baker's yeast)                           |
| Lead Time           | Made-to-order (14-16 weeks)                                                          |
