

# Phospholipase D LamSicTox-alphaIC1 Antibody

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA495649LA01LQU                                                                                                                                             |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                   |
| Uniprot No.         | C0JAZ9                                                                                                                                                          |
| Immunogen           | Recombinant Loxosceles amazonica Phospholipase D LamSicTox-alphaIC1 protein (1-273AA)                                                                           |
| Raised In           | Rabbit                                                                                                                                                          |
| Species Reactivity  | Loxosceles amazonica                                                                                                                                            |
| Tested Applications | ELISA                                                                                                                                                           |
| Form                | Liquid                                                                                                                                                          |
| Conjugate           | Non-conjugated                                                                                                                                                  |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                |
| Purification Method | >95%, Protein G purified                                                                                                                                        |
| Isotype             | IgG                                                                                                                                                             |
| Clonality           | Polyclonal                                                                                                                                                      |
| Alias               | Phospholipase D LamSicTox-alphaIC1 (PLD) (EC 3.1.4.4) (Dermonecrotic toxin) (Sphingomyelin phosphodiesterase D) (SMD) (SMase D) (Sphingomyelinase D) (Fragment) |
| Immunogen Species   | Loxosceles amazonica (Recluse spider)                                                                                                                           |
| Research Area       | Others                                                                                                                                                          |
