

## SCARB1 Antibody

| <b>Product Code</b>        | CSB-PA587075                                                  |
|----------------------------|---------------------------------------------------------------|
| Storage                    | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze. |
| Uniprot No.                | Q8WTV0                                                        |
| Immunogen                  | Fusion protein of Human SCARB1                                |
| Raised In                  | Rabbit                                                        |
| Species Reactivity         | Human                                                         |
| <b>Tested Applications</b> | ELISA,IHC;ELISA:1:2000-1:5000,IHC:1:50-1:200                  |
| Form                       | Liquid                                                        |
| Conjugate                  | Non-conjugated                                                |
| Storage Buffer             | -20°C, pH7.4 PBS, 0.05% NaN3, 40% Glycerol                    |
| <b>Purification Method</b> | Antigen affinity purification                                 |
| Isotype                    | IgG                                                           |
| Alias                      | scavenger receptor class B, member 1                          |
| Immunogen Species          | Homo sapiens (Human)                                          |
| Target Names               | SCARB1                                                        |
| Image                      | The image on the left is immunohistechemistry of              |

The image on the left is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using CSB-PA587075(SCARB1 Antibody) at dilution 1/60, on the right is treated with fusion protein. (Original magnification: ×200)

The image on the left is immunohistochemistry of paraffin-embedded Human cervical cancer tissue using CSB-PA587075(SCARB1 Antibody) at dilution 1/60, on the right is treated with fusion protein. (Original magnification: x200)
