

# SSX2 Antibody

|                            |                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA613674ESR2HU                                                                                                                  |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                       |
| <b>Uniprot No.</b>         | Q16385                                                                                                                              |
| <b>Immunogen</b>           | Recombinant Human Protein SSX2 protein (1-188AA)                                                                                    |
| <b>Raised In</b>           | Rabbit                                                                                                                              |
| <b>Species Reactivity</b>  | Human                                                                                                                               |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:200-1:1000, IHC:1:20-1:200                                                               |
| <b>Form</b>                | Liquid                                                                                                                              |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                      |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                   |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                           |
| <b>Isotype</b>             | IgG                                                                                                                                 |
| <b>Clonality</b>           | Polyclonal                                                                                                                          |
| <b>Alias</b>               | Protein SSX2 (Cancer/testis antigen 5.2) (CT5.2) (Synovial sarcoma, X breakpoint 2) (Tumor antigen HOM-MEL-40), SSX2; SSX2B, SSX2A; |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                                                   |
| <b>Target Names</b>        | SSX2                                                                                                                                |

## Image

### Western blot

All lanes: Protein SSX2 antibody at 2μg/ml + MDA-MB-231 whole cell lysate

### Secondary

Goat polyclonal to rabbit IgG at 1/10000 dilution

Predicted band size: 22, 26 kDa

Observed band size: 22 kDa

Immunohistochemistry of paraffin-embedded human cervical cancer using CSB-PA613674ESR2HU at dilution of 1:100

Immunohistochemistry of paraffin-embedded human testis tissue using CSB-PA613674ESR2HU at dilution of 1:100
