

# CDC37 Antibody

|                            |                                                                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA613684LA01HU                                                                                                                                                     |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                          |
| <b>Uniprot No.</b>         | Q16543                                                                                                                                                                 |
| <b>Immunogen</b>           | Recombinant Human Hsp90 co-chaperone Cdc37 protein (89-175AA)                                                                                                          |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                 |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                  |
| <b>Tested Applications</b> | ELISA, WB, IHC, IF; Recommended dilution: WB:1:500-1:5000, IHC:1:20-1:200, IF:1:50-1:200                                                                               |
| <b>Form</b>                | Liquid                                                                                                                                                                 |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                         |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                       |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                               |
| <b>Isotype</b>             | IgG                                                                                                                                                                    |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                             |
| <b>Alias</b>               | Hsp90 co-chaperone Cdc37 (Hsp90 chaperone protein kinase-targeting subunit) (p50Cdc37) [Cleaved into: Hsp90 co-chaperone Cdc37, N-terminally processed], CDC37, CDC37A |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                   |
| <b>Research Area</b>       | Cell Biology                                                                                                                                                           |
| <b>Target Names</b>        | CDC37                                                                                                                                                                  |

## Image

### Western Blot

Positive WB detected in: K562 whole cell lysate

All lanes: CDC37 antibody at 2.7µg/ml

Secondary

Goat polyclonal to rabbit IgG at 1/50000 dilution

Predicted band size: 45 kDa

Observed band size: 45 kDa

Immunohistochemistry of paraffin-embedded human colon cancer using CSB-PA613684LA01HU at dilution of 1:100

Immunofluorescent analysis of Hela cells using CSB-PA613684LA01HU at dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L)
