

# RAB35 Antibody, Biotin conjugated

|                     |                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA614887LD01HU                                                                                  |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                       |
| Uniprot No.         | Q15286                                                                                              |
| Immunogen           | Recombinant Human Ras-related protein Rab-35 protein (1-201AA)                                      |
| Raised In           | Rabbit                                                                                              |
| Species Reactivity  | Human                                                                                               |
| Tested Applications | ELISA                                                                                               |
| Form                | Liquid                                                                                              |
| Conjugate           | Biotin                                                                                              |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                    |
| Purification Method | >95%, Protein G purified                                                                            |
| Isotype             | IgG                                                                                                 |
| Clonality           | Polyclonal                                                                                          |
| Alias               | Ras-related protein Rab-35 (GTP-binding protein RAY) (Ras-related protein Rab-1C), RAB35, RAB1C RAY |
| Immunogen Species   | Homo sapiens (Human)                                                                                |
| Research Area       | Cell Biology                                                                                        |
| Target Names        | RAB35                                                                                               |
