

# SMT3 Antibody, FITC conjugated

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA615489LC01SVG                                                               |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                     |
| <b>Uniprot No.</b>         | Q12306                                                                            |
| <b>Immunogen</b>           | Recombinant Saccharomyces cerevisiae Ubiquitin-like protein SMT3 protein (2-98AA) |
| <b>Raised In</b>           | Rabbit                                                                            |
| <b>Species Reactivity</b>  | Saccharomyces cerevisiae                                                          |
| <b>Form</b>                | Liquid                                                                            |
| <b>Conjugate</b>           | FITC                                                                              |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4  |
| <b>Purification Method</b> | >95%, Protein G purified                                                          |
| <b>Isotype</b>             | IgG                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                        |
| <b>Alias</b>               | Ubiquitin-like protein SMT3, SMT3                                                 |
| <b>Immunogen Species</b>   | Saccharomyces cerevisiae (strain ATCC 204508 / S288c) (Baker's yeast)             |
| <b>Research Area</b>       | Cell Biology                                                                      |
| <b>Target Names</b>        | SMT3                                                                              |
