

# EPS8 Antibody, FITC conjugated

|                     |                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA615539LC01HU                                                                        |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                             |
| Uniprot No.         | Q12929                                                                                    |
| Immunogen           | Recombinant Human Epidermal growth factor receptor kinase substrate 8 protein (572-670AA) |
| Raised In           | Rabbit                                                                                    |
| Species Reactivity  | Human                                                                                     |
| Form                | Liquid                                                                                    |
| Conjugate           | FITC                                                                                      |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4          |
| Purification Method | >95%, Protein G purified                                                                  |
| Isotype             | IgG                                                                                       |
| Clonality           | Polyclonal                                                                                |
| Alias               | Epidermal growth factor receptor kinase substrate 8, EPS8                                 |
| Immunogen Species   | Homo sapiens (Human)                                                                      |
| Research Area       | Signal Transduction                                                                       |
| Target Names        | EPS8                                                                                      |
