

# UBE2S Antibody

|                            |                                                                                                                                                                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA623095DSR1HU                                                                                                                                                                                                                                    |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                                         |
| <b>Uniprot No.</b>         | Q16763                                                                                                                                                                                                                                                |
| <b>Immunogen</b>           | Recombinant Human Ubiquitin-conjugating enzyme E2 S protein (1-222AA)                                                                                                                                                                                 |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                                                                |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                                                                                 |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                                                                                                                                                                      |
| <b>Form</b>                | Liquid                                                                                                                                                                                                                                                |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                                                        |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                                                                                                                                     |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                                                                                                                                             |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                                                            |
| <b>Alias</b>               | Ubiquitin-conjugating enzyme E2 S (EC 2.3.2.23) (E2 ubiquitin-conjugating enzyme S) (E2-EPF) (Ubiquitin carrier protein S) (Ubiquitin-conjugating enzyme E2-24 kDa) (Ubiquitin-conjugating enzyme E2-EPF5) (Ubiquitin-protein ligase S), UBE2S, E2EPF |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                                                                  |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                                                                                                                                                                     |
| <b>Target Names</b>        | UBE2S                                                                                                                                                                                                                                                 |
