

# COL12A1 Antibody

|                            |                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA669302                                                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                             |
| <b>Uniprot No.</b>         | Q99715                                                                                                    |
| <b>Immunogen</b>           | Synthetic peptide from Human protein at AA range: 1268-1341                                               |
| <b>Raised In</b>           | Rabbit                                                                                                    |
| <b>Species Reactivity</b>  | Human                                                                                                     |
| <b>Tested Applications</b> | IHC,ELISA;IHC:1:50-1:300,ELISA:1:5000-1:20000                                                             |
| <b>Form</b>                | Liquid                                                                                                    |
| <b>Conjugate</b>           | Non-conjugated                                                                                            |
| <b>Storage Buffer</b>      | PBS, pH 7.4, containing 0.02% sodium azide as Preservative and 50% Glycerol.                              |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen. |
| <b>Alias</b>               | Collagen alpha-1(XII) chain                                                                               |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                      |
| <b>Target Names</b>        | COL12A1                                                                                                   |
