

# RUNX1T1 Antibody

|                            |                                                                                                                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA726765HA01HU                                                                                                                                                                             |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                  |
| <b>Uniprot No.</b>         | Q06455                                                                                                                                                                                         |
| <b>Immunogen</b>           | Recombinant Human Protein CBFA2T1 protein (416-525AA)                                                                                                                                          |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                         |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                          |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:2000-1:10000, IHC:1:20-1:200                                                                                                                        |
| <b>Form</b>                | Liquid                                                                                                                                                                                         |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                 |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                                               |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                                       |
| <b>Isotype</b>             | IgG                                                                                                                                                                                            |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                     |
| <b>Alias</b>               | Protein CBFA2T1 (Cyclin-D-related protein) (Eight twenty one protein) (Protein ETO) (Protein MTG8) (Zinc finger MYND domain-containing protein 2), RUNX1T1, AML1T1 CBFA2T1 CDR ETO MTG8 ZMYND2 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                           |

| <b>Target Names</b>        | RUNX1T1                                                                                                                                                                                        |

## Image

### Western Blot

Positive WB detected in: HepG2 whole cell lysate, Jurkat whole cell lysate

All lanes: RUNX1T1 antibody at 2.8µg/ml

### Secondary

Goat polyclonal to rabbit IgG at 1/50000 dilution

Predicted band size: 68, 65, 69, 64, 49, 45 kDa

Observed band size: 68 kDa

Immunohistochemistry of paraffin-embedded human pancreatic tissue using CSB-PA726765HA01HU at dilution of 1:100
