

# hlgC Antibody

|                     |                                                                                  |
|---------------------|----------------------------------------------------------------------------------|
| Product Code        | CSB-PA739984LA01SKV                                                              |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| Uniprot No.         | Q6GE13                                                                           |
| Immunogen           | Recombinant Staphylococcus aureus Gamma-hemolysin component C protein (30-315AA) |
| Raised In           | Rabbit                                                                           |
| Species Reactivity  | Staphylococcus aureus                                                            |
| Tested Applications | ELISA                                                                            |
| Form                | Liquid                                                                           |
| Conjugate           | Non-conjugated                                                                   |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4 |
| Purification Method | >95%, Protein G purified                                                         |
| Isotype             | IgG                                                                              |
| Clonality           | Polyclonal                                                                       |
| Alias               | Gamma-hemolysin component C, hlgC                                                |
| Immunogen Species   | Staphylococcus aureus (strain MRSA252)                                           |
| Research Area       | Others                                                                           |
| Target Names        | hlgC                                                                             |
