

# DOA4 Antibody

|                     |                                                                                                                                     |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA748351XA01DOT                                                                                                                 |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                       |
| Uniprot No.         | Q754R5                                                                                                                              |
| Immunogen           | Recombinant Ashbya gossypii (strain ATCC 10895 / CBS 109.51 / FGSC 9923 / NRRL Y-1056) (Yeast) (Eremothecium gossypii) DOA4 protein |
| Raised In           | Rabbit                                                                                                                              |
| Species Reactivity  | Ashbya gossypii (strain ATCC 10895 / CBS 109.51 / FGSC 9923 / NRRL Y-1056) (Yeast) (Eremothecium gossypii)                          |
| Tested Applications | ELISA, WB (ensure identification of antigen)                                                                                        |
| Form                | Liquid                                                                                                                              |
| Conjugate           | Non-conjugated                                                                                                                      |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                    |
| Purification Method | Antigen Affinity Purified                                                                                                           |
| Isotype             | IgG                                                                                                                                 |
| Clonality           | Polyclonal                                                                                                                          |
| Product Type        | Polyclonal Antibody                                                                                                                 |
| Immunogen Species   | Ashbya gossypii (strain ATCC 10895 / CBS 109.51 / FGSC 9923 / NRRL Y-1056) (Yeast) (Eremothecium gossypii)                          |
| Lead Time           | Made-to-order (14-16 weeks)                                                                                                         |
| Gene Names          | DOA4                                                                                                                                |
