

# KANSL1 Antibody, FITC conjugated

|                            |                                                                                                                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA770344LC01HU                                                                                                                                                                                  |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                       |
| <b>Uniprot No.</b>         | Q7Z3B3                                                                                                                                                                                              |
| <b>Immunogen</b>           | Recombinant Human KAT8 regulatory NSL complex subunit 1 protein (815-1086AA)                                                                                                                        |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                              |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                               |
| <b>Form</b>                | Liquid                                                                                                                                                                                              |
| <b>Conjugate</b>           | FITC                                                                                                                                                                                                |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                                                    |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                                            |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                 |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                          |
| <b>Alias</b>               | KAT8 regulatory NSL complex subunit 1 (MLL1/MLL complex subunit KANSL1) (MSL1 homolog 1) (hMSL1v1) (NSL complex protein NSL1) (Non-specific lethal 1 homolog), KANSL1, CENP-36 KIAA1267 MSL1V1 NSL1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                                                                                                                   |
| <b>Target Names</b>        | KANSL1                                                                                                                                                                                              |
