

# KRTAP11-1 Antibody

|                     |                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA810266LA01HU                                                                                          |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                               |
| Uniprot No.         | Q8IUC1                                                                                                      |
| Immunogen           | Recombinant Human Keratin-associated protein 11-1 protein (1-186AA)                                         |
| Raised In           | Rabbit                                                                                                      |
| Species Reactivity  | Human                                                                                                       |
| Tested Applications | ELISA                                                                                                       |
| Form                | Liquid                                                                                                      |
| Conjugate           | Non-conjugated                                                                                              |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                            |
| Purification Method | >95%, Protein G purified                                                                                    |
| Isotype             | IgG                                                                                                         |
| Clonality           | Polyclonal                                                                                                  |
| Alias               | Keratin-associated protein 11-1 (High sulfur keratin-associated protein 11.1), KRTAP11-1, KAP11.1 KRTAP11.1 |
| Immunogen Species   | Homo sapiens (Human)                                                                                        |
| Research Area       | Signal Transduction                                                                                         |
| Target Names        | KRTAP11-1                                                                                                   |
