

# RASL10B Antibody, Biotin conjugated

|                     |                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA842758LD01HU                                                                                       |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                            |
| Uniprot No.         | Q96S79                                                                                                   |
| Immunogen           | Recombinant Human Ras-like protein family member 10B protein (15-200AA)                                  |
| Raised In           | Rabbit                                                                                                   |
| Species Reactivity  | Human                                                                                                    |
| Tested Applications | ELISA                                                                                                    |
| Form                | Liquid                                                                                                   |
| Conjugate           | Biotin                                                                                                   |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                         |
| Purification Method | >95%, Protein G purified                                                                                 |
| Isotype             | IgG                                                                                                      |
| Clonality           | Polyclonal                                                                                               |
| Alias               | Ras-like protein family member 10B (Ras-like protein VTS58635) (Ras-related protein 17) (RRP17), RASL10B |
| Immunogen Species   | Homo sapiens (Human)                                                                                     |
| Research Area       | Signal Transduction                                                                                      |
| Target Names        | RASL10B                                                                                                  |
