

# KCNG4 Antibody, Biotin conjugated

|                     |                                                                                                                    |
|---------------------|--------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA844728LD01HU                                                                                                 |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                      |
| Uniprot No.         | Q8TDN1                                                                                                             |
| Immunogen           | Recombinant Human Potassium voltage-gated channel subfamily G member 4 protein (1-218AA)                           |
| Raised In           | Rabbit                                                                                                             |
| Species Reactivity  | Human                                                                                                              |
| Tested Applications | ELISA                                                                                                              |
| Form                | Liquid                                                                                                             |
| Conjugate           | Biotin                                                                                                             |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                   |
| Purification Method | >95%, Protein G purified                                                                                           |
| Isotype             | IgG                                                                                                                |
| Clonality           | Polyclonal                                                                                                         |
| Alias               | Potassium voltage-gated channel subfamily G member 4 (Voltage-gated potassium channel subunit Kv6.4), KCNG4, KCNG3 |
| Immunogen Species   | Homo sapiens (Human)                                                                                               |
| Research Area       | Neuroscience                                                                                                       |
| Target Names        | KCNG4                                                                                                              |
