

# HIF1AN Antibody, HRP conjugated

|                            |                                                                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA865160LB01HU                                                                                                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                |
| <b>Uniprot No.</b>         | Q9NWT6                                                                                                                                                                       |
| <b>Immunogen</b>           | Recombinant Human Hypoxia-inducible factor 1-alpha inhibitor protein (2-254AA)                                                                                               |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                       |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                        |
| <b>Tested Applications</b> | ELISA                                                                                                                                                                        |
| <b>Form</b>                | Liquid                                                                                                                                                                       |
| <b>Conjugate</b>           | HRP                                                                                                                                                                          |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                             |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                     |
| <b>Isotype</b>             | IgG                                                                                                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                   |
| <b>Alias</b>               | Hypoxia-inducible factor 1-alpha inhibitor (EC 1.14.11.30) (EC 1.14.11.n4) (Factor inhibiting HIF-1) (FIH-1) (Hypoxia-inducible factor asparagine hydroxylase), HIF1AN, FIH1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                         |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                                                                                            |
| <b>Target Names</b>        | HIF1AN                                                                                                                                                                       |
