

# PLCD4 Antibody

|                            |                                                                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA866264ESR1HU                                                                                                                                                                 |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                      |
| <b>Uniprot No.</b>         | Q9BRC7                                                                                                                                                                             |
| <b>Immunogen</b>           | Recombinant Human 1-phosphatidylinositol 4,5-bisphosphate phosphodiesterase delta-4 protein (1-290AA)                                                                              |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                             |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                              |
| <b>Tested Applications</b> | ELISA, IHC, IF; Recommended dilution: IHC:1:20-1:200, IF:1:50-1:200                                                                                                                |
| <b>Form</b>                | Liquid                                                                                                                                                                             |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                     |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                                                                  |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                                                                          |
| <b>Isotype</b>             | IgG                                                                                                                                                                                |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                         |
| <b>Alias</b>               | 1-phosphatidylinositol 4,5-bisphosphate phosphodiesterase delta-4 (hPLCD4) (EC 3.1.4.11) (Phosphoinositide phospholipase C-delta-4) (Phospholipase C-delta-4) (PLC-delta-4), PLCD4 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                               |
| <b>Research Area</b>       | Signal Transduction                                                                                                                                                                |
| <b>Target Names</b>        | PLCD4                                                                                                                                                                              |

## Image

Immunohistochemistry of paraffin-embedded human kidney tissue using CSB-PA866264ESR1HU at dilution of 1:100

Immunofluorescent analysis of A549 cells using CSB-PA866264ESR1HU at dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L)
