

# OXSM Antibody, FITC conjugated

|                     |                                                                                                           |
|---------------------|-----------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA868340LC01HU                                                                                        |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                             |
| Uniprot No.         | Q9NWU1                                                                                                    |
| Immunogen           | Recombinant Human 3-oxoacyl-[acyl-carrier-protein] synthase, mitochondrial protein (78-345AA)             |
| Raised In           | Rabbit                                                                                                    |
| Species Reactivity  | Human                                                                                                     |
| Form                | Liquid                                                                                                    |
| Conjugate           | FITC                                                                                                      |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                          |
| Purification Method | >95%, Protein G purified                                                                                  |
| Isotype             | IgG                                                                                                       |
| Clonality           | Polyclonal                                                                                                |
| Alias               | 3-oxoacyl-[acyl-carrier-protein] synthase, mitochondrial (EC 2.3.1.41) (Beta-ketoacyl-ACP synthase), OXSM |
| Immunogen Species   | Homo sapiens (Human)                                                                                      |
| Research Area       | Cardiovascular                                                                                            |
| Target Names        | OXSM                                                                                                      |
