

# DDX28 Antibody

|                            |                                                                                                            |
|----------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA873656LA01HU                                                                                         |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                              |
| <b>Uniprot No.</b>         | Q9NUL7                                                                                                     |
| <b>Immunogen</b>           | Recombinant Human Probable ATP-dependent RNA helicase DDX28 protein (71-206AA)                             |
| <b>Raised In</b>           | Rabbit                                                                                                     |
| <b>Species Reactivity</b>  | Human                                                                                                      |
| <b>Tested Applications</b> | ELISA, WB; Recommended dilution: WB:1:500-1:5000                                                           |
| <b>Form</b>                | Liquid                                                                                                     |
| <b>Conjugate</b>           | Non-conjugated                                                                                             |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                           |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                   |
| <b>Isotype</b>             | IgG                                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                                 |
| <b>Alias</b>               | Probable ATP-dependent RNA helicase DDX28 (EC 3.6.4.13) (Mitochondrial DEAD box protein 28), DDX28, MDDX28 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                       |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                          |
| <b>Target Names</b>        | DDX28                                                                                                      |

## Image

### Western Blot

Positive WB detected in: A549 whole cell lysate, 293 whole cell lysate, HeLa whole cell lysate, PC-3 whole cell lysate

All lanes: DDX28 antibody at 6.1µg/ml

Secondary

Goat polyclonal to rabbit IgG at 1/50000 dilution

Predicted band size: 60 kDa

Observed band size: 60 kDa
