

# SMARCAL1 Antibody

|                            |                                                                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA885774LA01HU                                                                                                                                                                                       |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                            |
| <b>Uniprot No.</b>         | Q9NZC9                                                                                                                                                                                                   |
| <b>Immunogen</b>           | Recombinant Human SWI/SNF-related matrix-associated actin-dependent regulator of chromatin subfamily A-like protein 1 protein (6-277AA)                                                                  |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                   |
| <b>Species Reactivity</b>  | Human, Mouse                                                                                                                                                                                             |
| <b>Tested Applications</b> | ELISA, WB, IF; Recommended dilution: WB:1:500-1:5000, IF:1:50-1:200                                                                                                                                      |
| <b>Form</b>                | Liquid                                                                                                                                                                                                   |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                           |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                                                                                         |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                                                 |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                      |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                               |
| <b>Alias</b>               | SWI/SNF-related matrix-associated actin-dependent regulator of chromatin subfamily A-like protein 1 (EC 3.6.4.-) (HepA-related protein) (hHARP) (Sucrose nonfermenting protein 2-like 1), SMARCAL1, HARP |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                     |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                                                                                                                        |
| <b>Target Names</b>        | SMARCAL1                                                                                                                                                                                                 |

## Image

### Western Blot

Positive WB detected in: Jurkat whole cell lysate, Mouse lung tissue, Mouse kidney tissue

All lanes: SMARCAL1 antibody at 3µg/ml

### Secondary

Goat polyclonal to rabbit IgG at 1/50000 dilution

Predicted band size: 106 kDa

Observed band size: 106 kDa

Immunofluorescent analysis of Hela cells using CSB-PA885774LA01HU at dilution of 1:100 and Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L)
