

# MRPL36 Antibody

|                            |                                                                                                                                                               |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA885784LA01HU                                                                                                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                 |
| <b>Uniprot No.</b>         | Q9P0J6                                                                                                                                                        |
| <b>Immunogen</b>           | Recombinant Human 39S ribosomal protein L36, mitochondrial protein (2-103AA)                                                                                  |
| <b>Raised In</b>           | Rabbit                                                                                                                                                        |
| <b>Species Reactivity</b>  | Human                                                                                                                                                         |
| <b>Tested Applications</b> | ELISA                                                                                                                                                         |
| <b>Form</b>                | Liquid                                                                                                                                                        |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                              |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                      |
| <b>Isotype</b>             | IgG                                                                                                                                                           |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                    |
| <b>Alias</b>               | 39S ribosomal protein L36, mitochondrial (L36mt) (MRP-L36) (BRCA1-interacting protein 1) (Mitochondrial large ribosomal subunit protein bL36m), MRPL36, BRIP1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                          |
| <b>Research Area</b>       | Tags & Cell Markers                                                                                                                                           |
| <b>Target Names</b>        | MRPL36                                                                                                                                                        |
