

# KLHL42 Antibody, FITC conjugated

|                            |                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA885803LC01HU                                                                                                     |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                          |
| <b>Uniprot No.</b>         | Q9P2K6                                                                                                                 |
| <b>Immunogen</b>           | Recombinant Human Kelch-like protein 42 protein (1-410AA)                                                              |
| <b>Raised In</b>           | Rabbit                                                                                                                 |
| <b>Species Reactivity</b>  | Human                                                                                                                  |
| <b>Form</b>                | Liquid                                                                                                                 |
| <b>Conjugate</b>           | FITC                                                                                                                   |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                       |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                               |
| <b>Isotype</b>             | IgG                                                                                                                    |
| <b>Clonality</b>           | Polyclonal                                                                                                             |
| <b>Alias</b>               | Kelch-like protein 42 (Cullin-3-binding protein 9) (Ctb9) (Kelch domain-containing protein 5), KLHL42, KIAA1340 KLHDC5 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                   |
| <b>Research Area</b>       | Others                                                                                                                 |
| <b>Target Names</b>        | KLHL42                                                                                                                 |
