

# POLE4 Antibody, Biotin conjugated

|                     |                                                                                                                         |
|---------------------|-------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA889087LD01HU                                                                                                      |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                           |
| Uniprot No.         | Q9NR33                                                                                                                  |
| Immunogen           | Recombinant Human DNA polymerase epsilon subunit 4 protein (8-117AA)                                                    |
| Raised In           | Rabbit                                                                                                                  |
| Species Reactivity  | Human                                                                                                                   |
| Tested Applications | ELISA                                                                                                                   |
| Form                | Liquid                                                                                                                  |
| Conjugate           | Biotin                                                                                                                  |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                        |
| Purification Method | >95%, Protein G purified                                                                                                |
| Isotype             | IgG                                                                                                                     |
| Clonality           | Polyclonal                                                                                                              |
| Alias               | DNA polymerase epsilon subunit 4 (EC 2.7.7.7) (DNA polymerase II subunit 4) (DNA polymerase epsilon subunit p12), POLE4 |
| Immunogen Species   | Homo sapiens (Human)                                                                                                    |
| Research Area       | Others                                                                                                                  |
| Target Names        | POLE4                                                                                                                   |
