

# KCNIP2 Antibody

|                            |                                                                                                                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA889100DSR2HU                                                                                                                                                                                               |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                    |
| <b>Uniprot No.</b>         | Q9NS61                                                                                                                                                                                                           |
| <b>Immunogen</b>           | Recombinant Human Kv channel-interacting protein 2 protein (1-90AA)                                                                                                                                              |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                           |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                                            |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:1000-1:5000, IHC:1:20-1:200                                                                                                                                           |
| <b>Form</b>                | Liquid                                                                                                                                                                                                           |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                   |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                                                                                                |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                                                                                                        |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                       |
| <b>Alias</b>               | Kv channel-interacting protein 2 (KCHIP2) (A-type potassium channel modulatory protein 2) (Cardiac voltage-gated potassium channel modulatory subunit) (Potassium channel-interacting protein 2), KCNIP2, KCHIP2 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                             |
| <b>Research Area</b>       | Neuroscience                                                                                                                                                                                                     |
| <b>Target Names</b>        | KCNIP2                                                                                                                                                                                                           |

## Image

Western blot

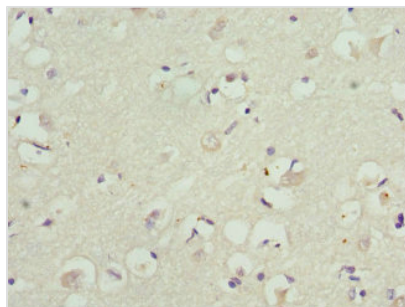

All lanes: KCNIP2 antibody at 4.58μg/ml + HeLa whole cell lysate

Secondary

Goat polyclonal to rabbit IgG at 1/10000 dilution

Predicted band size: 31, 29, 26, 27, 33, 21, 22 kDa

Observed band size: 31 kDa

Immunohistochemistry of paraffin-embedded human brain tissue using CSB-PA889100DSR2HU at dilution of 1:100
