

# CAMK2A Antibody, HRP conjugated

|                     |                                                                                                                                                                |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA892176HB01HU                                                                                                                                             |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                  |
| Uniprot No.         | Q9UQM7                                                                                                                                                         |
| Immunogen           | Recombinant Human Calcium/calmodulin-dependent protein kinase type II subunit alpha protein (321-478AA)                                                        |
| Raised In           | Rabbit                                                                                                                                                         |
| Species Reactivity  | Human                                                                                                                                                          |
| Tested Applications | ELISA                                                                                                                                                          |
| Form                | Liquid                                                                                                                                                         |
| Conjugate           | HRP                                                                                                                                                            |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                               |
| Purification Method | >95%, Protein G purified                                                                                                                                       |
| Isotype             | IgG                                                                                                                                                            |
| Clonality           | Polyclonal                                                                                                                                                     |
| Alias               | Calcium/calmodulin-dependent protein kinase type II subunit alpha (CaM kinase II subunit alpha) (CaMK-II subunit alpha) (EC 2.7.11.17), CAMK2A, CAMKA KIAA0968 |
| Immunogen Species   | Homo sapiens (Human)                                                                                                                                           |
| Research Area       | Signal Transduction                                                                                                                                            |
| Target Names        | CAMK2A                                                                                                                                                         |
