

## ATP5F1 Polyclonal Antibody

|                                 |                                                                                                                       |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Swiss-Prot No.:</b>          | P24539                                                                                                                |
| <b>Molecular Weight:</b>        | 28.909                                                                                                                |
| <b>Applications:</b>            | WB,ELISA                                                                                                              |
| <b>Reactivity:</b>              | Human,Mouse,Rat                                                                                                       |
| <b>Purification:</b>            | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| <b>Immunogen:</b>               | Synthesized peptide derived from the Internal region of human ATP5F1. at AA range: 130-210                            |
| <b>Specificity/Sensitivity:</b> | ATP5F1 Polyclonal Antibody detects endogenous levels of ATP5F1 protein.                                               |
| <b>Other Names:</b>             | ATP5F1; ATP synthase subunit b; mitochondrial; ATPase subunit b                                                       |
| <b>Storage/Stability:</b>       | -20°C/1 year                                                                                                          |
| <b>Source:</b>                  | Rabbit                                                                                                                |
| <b>Form of Antibody:</b>        | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |
| <b>Protein Concentration:</b>   | 1 mg/ml                                                                                                               |

|            |                                                                                     |
|------------|-------------------------------------------------------------------------------------|
|            |    |
|            | Western Blot analysis of 3T3 cells using ATP5F1 Polyclonal Antibody                 |
| Gene Name: | ATP5F1                                                                              |
| Dilution:  | Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications. |
