

Ubiquitin Antibody

E300948

Product description:

Formulation: Lyophilized anti-ubiquitin antibody purified by peptide affinity column containing 2% BSA and 0.02% NaN₃

Catalog No.: E300948

Size: 100ug/200ul

Source:

Rabbit polyclonal ubiquitin⁽¹⁾ antibody was raised against a peptide at the C terminal residues of human ubiquitin protein.

Species Reactivity:

Human, mus

Not yet tested in other species.

Application:

For research use only

Peptide ELISA titer: 1:5,000-1:20,000

Immunohistochemistry: 1:50-200

Optimal dilutions/concentrations should be determined by the end user.

Immunohistochemical staining of formalin-fixed paraffin-embedded platelet showing cytoplasmic and nuclear staining with anti-ubiquitin antibody at a dilution of 1/100(A).Block with immunizing peptide(B).

Dilution instruction and storage:

Already reconstituted in 200ul sterile H₂O. The antibody is stable for at least one year when stored at -20°C after reconstitution.

Avoid repeated freeze/thaw cycles.
