

Smac/DIABLO Antibody

Product description:

Formulation: Lyophilized Smac/DIABLO antibody purified by peptide affinity column containing 2% BSA and 0.02% NaN₃

Catalog No.:E301220 Size: 100ug/200ul

Source:

Rabbit polyclonal Smac/DIABLO (1) antibody was raised against a peptide from near the C terminal residues of human Smac/DIABLO protein.

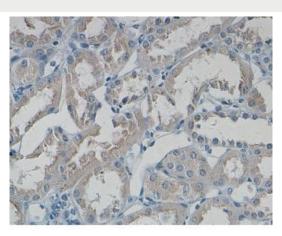

Species Reactivity:

Human

Not yet tested in other species.

Application:

For research use only
Peptide ELISA titer: 1:1,000-1:10,000
Immunohistochemistry: 1:50-500
Optimal dilutions/concentrations should be determined by the end user.

Immunohistochemical staining of formalin-fixed paraffin-embedded kidney showing Cytoplasmic staining with anti-Smac antibody dilution: 1:100.

Dilution instruction and storage:

Already reconstituted in 200ul sterile H₂O. The antibody is stable for at least one year when stored at -20°C after reconstitution.

Avoid repeated freeze/defrost cycles.
