|                          |                                                      |
|--------------------------|------------------------------------------------------|
| <b>Applications:</b>     | RWB,TWB,LWB,ICC                                      |
| <b>Molecular Weight:</b> | 26.5kDa                                              |
| <b>Immunogen:</b>        | 111-235                                              |
| <b>Gene ID:</b>          | 8260                                                 |
| <b>Altername:</b>        | TE2; ARD1; NATD; ARD1A; ARD1P; OGDNS; DXS707; MCOPS1 |
| <b>Isotype:</b>          | Mouse IgG1                                           |
| <b>Clone Number:</b>     | 3G3E9                                                |
